

## RECENT OPERATIONS

By Paul Rardin

Another railroad crossing wreck! A man in the hospital—in very serious condition. A woman slightly hurt and a car wrecked.

All of this happened Tuesday morning at the FECRR crossing between Pahokee and Canal Point.

I've been trying to get signal lights erected at the FECRR crossings in the Lake Okeechobee Farming Region. To date the signals are a minus quantity.

The City Council of Pahokee has the power and authority to pass an ordinance requiring the FECRR to slow their trains to two miles per hour over the crossings and have them preceded by a man with a lantern. Now, if the city council of Pahokee is interested in the life and limb of Glades citizens they can bring the FECRR into line. I'm of the opinion that instead of hiring a watchman or flagman and slowing their trains to two miles an hour that they will gladly erect the crossing signals. What do you say Mr. Councilmen?

## Revival Planned By C. P. Methodists

Revival Services will begin at the Canal Point Methodist Church Sunday March 17, with Dr. Henry W. Blackburn, Superintendent of Miami District as Evangelist.

Song and Prayer services will begin promptly at 7:30, with preaching services at 8 o'clock each evening.

We desire this meeting to be a community meeting, so all members of all churches are cordially invited to attend these services along with all friends.

Dr. Blackburn is a great Gospel preacher, and you will enjoy his messages, so plan on being present each night.

—Oliver Hatfield, Pastor

## Maj. Statham Named Chaplain At Hospital

Maj. James Edward Statham, former pastor of the Pahokee Methodist Church, who was recently released from the Army, has been appointed chaplain of the Veterans' Hospital at Lake City.

During over three years in the service, Maj. Statham was chaplain at various Army bases and air fields in California, Kentucky, North Carolina and Florida. He is also an overseas veteran of World War I.

When he left Pahokee to enlist in the Army in 1942, members of the Methodist Church passed a resolution requesting that he be returned as pastor, but this request was not granted by church officials.

Maj. Statham visited friends here before assuming his new duties at the Veterans' Hospital. Mrs. Statham and their daughter, Margie, now living in Sarasota, will join him at Lake City.

## Resurface Job On Two Glades Roads

Contract has been let by the State Road Department to R. B. Tyler company of Louisville, Ky., for resurfacing the State Market Road in Pahokee and Brown's Farm Road in the Belle Glade district. Work is expected to start soon.

## Blue Devils Foot Ball Squad Starts Spring Training

The Pahokee High School Blue Devil football squad will start its spring training on Lafr Field Monday afternoon. Coach Clyde Alley and his assistant, Steve Brown, expect between 40 and 50 boys to report for practice and have plans for a vigorous spring training program that will last for four or five weeks.

It looks like a big year ahead for the Blue Devil gridders. Coach Alley and Principal D. D. Caudill announced this week the 10-game schedule for the coming season is now complete with all dates filled. It is unquestionably one of the toughest, most interesting and ambitious schedules ever booked by a Blue Devil team. Pahokee, however, is losing very few experienced players by graduation this year and prospects are good for a successful season ahead.

The complete 1946 Blue Devil schedule:

Sept. 27—Ponce de Leon	There
Oct. 4—Miami Tech.	Here
Oct. 11—West Palm B.	There
Oct. 18—Delray Beach	There
Oct. 25—Danla	Here
Nov. 1—Port Pierce	There
Nov. 8—Stuart	Here
Nov. 15—Lake Worth	Here
Nov. 22—Melbourne	Here
Nov. 28—Belle Glade	Here

## Council Refuses Shirley Resignation

The resignation from the Pahokee City Council of L. L. Shirley, council president and waterworks commissioner, was brought before the council at its regular meeting Tuesday night and the other members voted to table the resignation indefinitely.

W. A. Keen, street commissioner, was authorized to complete the filling up of the dead-end canal paralleling the street in front of the Everglades Memorial Hospital. It was suggested that Mr. Keen ask for county trucks to assist in this project.

The need of installing two-way radios in police cars was discussed at the meeting and Albert Gant and Robert Mackey were appointed on a committee to investigate the matter and report to the council.

V. L. Geiger, R. B. Mackey and M. Cowart were named on a committee to study street lighting conditions on Barfield Highway and other sections and recommend to the council the number of additional lights needed for adequate illumination.

The hour of regular meetings was changed from 7 to 8 p. m.

## Mrs. Barfield Has Birthday Party

Mrs. Sarah A. Barfield who was seventy-eight years old on Monday March 11th, was honored with a birthday dinner and family reunion Sunday at her home 315 N. E. Main street in Pahokee. She was also made happy with many nice gifts from her relatives and friends. Mrs. Barfield is one of Pahokee's earliest pioneers coming here with her husband and daughter in October 1920.

Those taking dinner with Mrs. Barfield beside her daughter Miss Lulu Barfield of Pahokee were Mrs. Barfield's son Charles R. Barfield and her son-in-law and daughter Mr. and Mrs. Joe Roberts, her grand-daughters Mrs. Elise Jordan and Miss Marian Roberts, her grandson, Jack Roberts and her two great grand sons, Jimmy and Johnny Jordan, all of West Palm Beach.

## Redistricting Plan Accepted By Court

County Attorney Harry Johnston told the County Commission Monday that an answer filed with the circuit court stating that the board had redistricted the county and outlining the new arrangement, had been accepted by Circuit Judge C. E. Chillingworth with the preemptory writ directing it to redistrict in proportion to population.

The attorney also reported that the arrangement was agreeable to Waring T. Miller, attorney for T. Harold Williams, who began the redistrict suit, and that a stipulation had been signed to this effect.

On a motion offered by Commissioner C. Y. Byrd, the board authorized the inclusion of the southern part of precincts 38 and 39, shown in the redistrict resolution as 38A and 39A, in Precinct 40, with Lake Harbor as the voting place.

## "Check" Byrd To Seek Re-Election

C. Y. "Check" Byrd, county commissioner in district four, this week announces his candidacy for reelection in the May primary. Mr. Byrd has been a member of the county board since 1932. He said that if reelected he would continue his same conservative policy as in the past and would work toward the county's continued progress in the postwar period.

Until the recent redistricting of the county, Mr. Byrd's district was composed of Boca Raton and Delray Beach precincts. Now his district includes Boynton Beach, the southern three-quarters of Precinct 38 (Belle Glade), southern three-quarters of Precinct 39 (South Bay) and now included in the precinct with Lake Harbor. Brown's Farm is also in his district. This additional area was added to Byrd's Delray Beach and Boca Raton section.

Mr. Byrd will campaign in the Everglades for the first time between now and the election on May 7. It is possible that he will be reelected without opposition, but, in case he is, he still plans to visit the Lake Area before election time.

## Twenty Persons Join The Methodists

Twenty persons were received as new members of the Pahokee Methodist church Sunday. The Rev. T. A. Ferguson, pastor, officiated at the ceremony which followed a two weeks' revival conducted at the church by the Rev. R. L. Flowers.

Mr. and Mrs. L. B. Davis, former Canal Point residents, became members through transfer. Those entering the church are Mr. and Mrs. Lois Vann, Mrs. Max Murphy, J. V. Thomas, Donald Adams, Roy Spooner, Donald Crews, Thelma Vann, Harold Floyd, Irene Vann, Wanda Lou Harper, Elmer B. Elliott, Ronnie Elliott, Patsy Elliott, Jimmy Colson, Irene Holmes, Harry Brooks Elarbee and Mrs. H. Elarbee.

## MARCUS NOW WITH WALLY'S NEW SHOP

Jim Marcus is now connected with Wally's Upholstery Shop in Canal Point. The shop is located in the building formerly occupied by the Womans' Club in Canal Point. Hours are from 8 a. m. until 6 p. m. Estimates will be freely given.

Earnest Boland who is in the service visited the school this week. He was in the Pacific before coming home.

## County Board Wins Court Battle From West Palm Beach, Will Build TB Hospital

### Woman's Club Lets Contract For New Barbecue Pits

A contract for the construction of new barbecue pits at the city recreation park will be let this week by the Pahokee Woman's Club, sponsor of the project, it was announced at the luncheon meeting of club Tuesday.

A report on the County Federation meeting at Belle Glade on Mar. 7 was given by Mrs. Lewis Friend, Federation second vice president. Mrs. Friend announced that the County Federation meeting will be held in West Palm Beach in May. Mrs. J. R. York gave a report on the progress of the Community Chest being organized for the Pahokee-Canal Point area. The group voted to have a new roof built on the clubhouse at a cost of \$792.

The committee in charge of luncheon arrangements included Mrs. Rupert Mock, Mrs. Louis Davis, Mrs. Lewis Friend, Mrs. A. E. Morgan and Mrs. Pat Schoepel.

It was announced that Major John T. Pickett, who was stationed in China during the war, will arrange an exhibit of Chinese art at the next luncheon on Mar. 26. Mrs. Orin Bacon, fine arts chairman, will be in charge of the program.

## Pahokee Scouts Have Camping Trip

Scoutmaster Jack Phillips took 34 members of his Troop 23 on an outing and camping trip to Fisheating Creek last weekend, leaving Friday afternoon and returning late Saturday evening. J. V. Thomas and Inman W. Weeks also went along to assist the scoutmaster in supervising activities at the camp.

After a round of fishing and fun with other sports, several of the scouts settled down to work on scouting skills and passed the following tests: Swimming, first class, Sonny Phillips, Charles Dickson, David Ramsey and Billy Acres; first aid, first class, Jack Chivies; safety, second class, Ray Hatton, William Guerry, J. T. Guerry, Jackie Thomas and Ollis Weaver; fire building, second class, Jackie Thomas and Ollis Weaver, first aid, second class, William Guerry and Ray Hatton; signalling, second class, Ray Hatton, semaphore and William Guerry Morse code.

Other scouts at the camp included Bobby Schroder, Jerrold Berry, Bill Kirk, Earl Chance, Donald Danson, Dickie Johnson, Portie Johnson, Richard Smith, George Roselle, Ralph Chaney, Payne Jackson, Buck Justice, Tinker Christian, John T. Pickett, Jr., Huston Connell, Raymond Caruthers, Sidney Caruthers, James Barnes, Steve Kirk, Lee Shirley, Eddie Stanley, Frank Cline, Bobby Mackey and Gene Sowder.

## Vote Tuesday On \$850,000 Bond Issue

Freeholders in the county will go to the polls next Tuesday to say whether or not they favor county expenditure of \$850,000.00 for purchase of 200 acres of land on Singer Island and development of a county beach and park. The land in question is on Singer Island north of West Palm Beach. Property owners only will participate in the election.

Legal talent for the City of West Palm Beach, headed by Attorney Paul Potter, went down swinging Wednesday, when Circuit Judge Joseph S. White ruled that the city could not prevent county commissioners from erecting a tuberculosis hospital on land owned by the county at the county home site within the city limits of West Palm Beach. Judge, White on Wednesday morning signed a decree in favor of the county which will permit construction of the hospital. Bids, were received early last year by the board and immediately suit was brought by City of West Palm Beach, using for its chief argument the contention "that property values in that vicinity will be affected."

In the decree Judge White pointed out: "It appears that those in authority recognize that the possibility of contamination is minimized by the knowledge and facilities available to the medical profession today, and fear to the contrary is unjustified."

The nearest dwelling house within the city limits is approximately 1,380 feet from the site of the proposed hospital. The nearest vacant property within the city limits which might be used for residence is more than 500 feet away.

County Commissioner Paul Rardin, in commenting on the outcome of the court battle said: "I am indeed happy over the outcome. Now, we can go ahead with construction of the sanitarium and provide some place for the TB cases in Palm Beach county. It has come to the point where we have NO PLACE to hospitalize these particular cases."

## Lions Club Will Have "Info" Bureau

A new standing committee, known at the civic improvement committee, was formed at the Tuesday luncheon meeting of the Pahokee Lions Club. The new committee, to act as a bureau of information for the Pahokee-Canal Point area, was organized in accordance with a plan outlined by Rupert Mock, Lions district deputy. Mr. Mock was named chairman of the civic improvement committee and chairman of the club's 19 other standing committees were included in the membership.

The club voted to enter a Pahokee float at the Lions State convention in Jacksonville on May 23.

Claude Jones, head of the local Veterans Service office, asked the support of the Lions in the movement to obtain homesites for returned veterans. L. V. McClelland announced new training courses now available for veterans. Visitors were C. W. Barkley, West Palm Beach; Albert Fremd, Canal Point; Frank Hobson, Belle Glade; Jack Spencer and Leo Wroten, Pahokee.

## Funeral Services For Isaac Dobrow

Funeral services were held Tuesday for Isaac Dobrow, 64, retired attorney who died early Sunday at his hotel residence in West Palm Beach. Funeral services were held at Ferguson Chapel with Rabbi Mannel Greenstein officiating and burial was in Woodlawn cemetery.

Survivors include the wife, Lena; three sons, William, West Palm Beach, Morton, Miami, and Leonard, Pahokee; two sisters, Mrs. Pauline Scher, Miami, and Mrs. Arthur Schoen, West Palm Beach; two brothers, S. Dobrow, Daytona Beach and A. Dobrow, Pahokee.

## Sugar Prospects Better

More Sugar for both industrial and individual consumers is a near-by prospect. Industry's current ration of 50 percent of the 1941 use rate is called "brutally low" by sugar experts, who point to swelling supplies. Cuba's crop is five million tons. It was only three million in the pre-war 1938-39 season.

Puerto Rico, Hawaii, and U. S. sugar beet fields have also turned out bigger crops. Even after allowing for sizeable exports, some experts see more than seven million tons of sugar for domestic use in 1946. Unrationed pre-war annual use was well under seven million tons.

Industrial consumers can look for a second quarter ration of at least 60 percent of the 1941 rate, and a jump to 70 percent or 75 percent in the third quarter.—Wall Street Journal.

## Lethargy Noted In Community Spirit

(By Rev. T. A. Ferguson)

"Now is the time for all good men to come to the aid of their country."

How often have you seen this line sticking in an idle typewriter? Did you ever really study its meaning and apply it to yourself? Were you ever really impressed that this is a Government "of the people, for the people, by the people" and is constituted of a multiplication of you, and in ratio that each falls of his common duty individually, all suffer collectively.

Are you satisfied with your government, national or local? If not, may not your indifference, multiplied by hundreds of thousands, be the source of your dissatisfaction?

Bringing this line of reasoning closer home; the community in which you live is constituted of a multiplication of you and its progress, politics and morals suffer in measure of your disinterest. Contrary to Autocratic rule, under our way of life every citizen is expected to defend and uphold the best traditions of the country, by example as well as precept. No good citizen should expect to live unto himself alone.

Most of us give hardly a passing thought to the obvious fact that a mere handful of unselfish,

upright citizens (you can point them out) stand between you and your family and complete disintegration of orderly life and moral decay. One who, by whatever means earns his livelihood in a community is by unwritten law expected to lend his best efforts to its upbuilding and advancement of its institutions.

"Lives there a man with soul so dead Who never to himself hath said This is my own my native land."

Many, otherwise good citizens, because they make no profession of religion abstain from Church attendance; thus exerting an adverse influence against, undeniably, the most potent institution we have for moral uplift and for building the characters of our children. How many give a thought, let alone assistance, to our patient school teachers who are instructing and fashioning the lives of our children.

Let us jettison a load of "self, first, last, and all time" and encourage a spirit of public interest to the end that we may build a better, bigger, more prosperous community, and as night follows the day a God fearing community.

### CARD OF THANKS

I wish to thank my friends for their kindness and the flowers sent me during my recent illness. I am very grateful for your thoughtfulness.

Mrs. M. Miller

## Ceiling Removal From Vegetables Sought By Group

A renewed appeal for removal of price regulations from perishable vegetables will be made to the Office of Price Administration in Washington next week, it was announced today by LaMonte Graw, manager of the Florida Vegetable Canners' Association. Graw will go to the nation's capital Monday to join with representatives of the industry from Texas and California in presenting the new plea.

Contending there is sufficient evidence of ample supply in all varieties important to Florida and nation-wide production except for peas, these representatives will ask OPA to follow the government directive, made after the war's end, to de-control prices on any commodity in ample supply.

"Orderly reconversion of the fresh vegetable industry to a peacetime basis is next to impossible so long as food pricing regulations remain in effect," Graw said, as he outlined the appeal which directly resulted from action taken a few days ago in a resolution of the FVC. "The reconversion problem of the vegetable grower differs from that of the manufacturer," he continued, "in that the farmer has increased his production to meet the wartime needs of the nation. Now, he must adjust downward to the decreased demand. This means that the wide spread between prices paid the producer and cost to the consumer must be reduced, along with elimination of delays in marketing."

"Consumers unquestionably would be surprised to know that the vegetables for which they are paying high prices, often net the farmer less than cost."

"Under OPA regulations, maximum markups are guaranteed to the distributor, the secondary handler or jobber and the retailer. Paradoxically, these are both too low and too high; to low, because they do not allow for unanticipated losses to the handlers, and too high, because every handler tries to protect himself by charging the full fee, even if this requires juggling the produce around town. OPA, and not the distributors, created this situation, and it is hard to condemn the distributor for protecting his interests."

"In effect, OPA pricing guarantees that the consumer will pay the ceiling for fresh vegetables, even when the producer is not getting back his cost of production. This has happened repeatedly. Pricing officials have admitted privately to me it is impossible to adjust the consumer ceiling, so that the consumer would get the benefit of reduced farm prices."

"We contend the blame for all this rests on OPA. If it would follow its own de-control program, it would exempt every Florida fresh vegetable from price control and permit the industry to carry out an orderly postwar merchandising program which would result in better vegetables at lower prices to the consumer. Until OPA recognizes that the full production to which it aspires has been already attained by the winter vegetable industry, Florida vegetables will continue to cost the consumer several times as much as the grower receives for them."

While in Washington, Graw and representatives of the vegetable industry from other areas will testify before House and Senate committees which are considering renewal of OPA legislation. They will say that the present cumbersome perishable food regulations are keeping consumer prices at a high level in spite of reduced income to the producer.

Lee Jeffers, D. Geiger and Robert Lampi attended the concert presented by the Okeechobee High School Band at Okechobee on Thursday night of last week.

Mr. and Mrs. Charles A. Baker returned to Pahokee this week after a visit of several weeks with relatives in Lyons, Ga.

## World Day Of Prayer Observed In Pahokee

Pahokee residents observed World Day of Prayer at a special service sponsored by the Pahokee High School Senior Class in the high school auditorium Friday afternoon.

The program, "The Things That Make for Our Peace," was under the direction of Basil Todd, Senior Class president, and music was furnished by Peggy Moberg, pianist. Other students taking part were Marie Johnson, Jasper Reed, Edna Cowart, Marion Jones, Nina Ruth Barwick, Lynn Walker, Gene Herring, Ray Hawk, Jr., Wilton Giddens, Betty Wetherington and Donald Padgett. Local ministers

leading in prayer included Rev. Oliver Hatfield, Rev. C. R. Moore, J. S. Gresham, Rev. J. R. Heller and Rev. S. D. Mason. The service was concluded with a benediction by Rev. J. W. Strack, visiting evangelist.

Mr. and Mrs. Bill Wheeler of Boston, Mass., are guests of Mr. and Mrs. Don Hillier in Pahokee. While in the service Mr. Wheeler was captured by the Japs early in the war and spent three and a half years in the same prison camp as John Padgett.

Miss Donna Hillier, student at Mont Verde School, arrived here on Thursday of this week to spend Giddens, Betty Wetherington and Donald Padgett. Local ministers

Eddie Dew, Smiley Burnette

**Cinematic Chatter**

By Malcolm Miller

We've seen Gary Cooper in a lot of swell action pictures and some equally swell comedies, and we've always admired this rugged outdoor chap and his cleverness. . . . So I do take pleasure in announcing him for the coming Sunday-Monday screening at the Prince Theatre. His leading lady is lovely Loretta Young, equally clever and plenty vivacious, and they are to be seen in a best seller. . . . "Along Came Jones."

On Tuesday-Wednesday comes Bruce Cabot and Kay Francis in "Divorce," and "Two O'clock Courage" with Tom Conway and Ann Rutherford.

On the Thursday-Friday schedule is listed "The Phantom of 42nd Street," with Dave O'Brine and Kay Aldrich as its stars. This one has to do with a very mysterious murder which is solved after a lot of thrilling moments, and "The Adventures of Rusty" with Conrad Nagel and Ted Donaldson.

For Saturday I see Eddie Dew and Smiley Burnette in "Raiders of Sunset Pass." These boys always please and I'm sure they will be well received by the members of the Six Shooters Club.

See you at the movies—Mal.

**Coronation Wins Commendation Of Large Audience**

A large number of friends and members of the Canal Point Missionary Baptist Church attended the Coronation Service last Sunday evening, March 10. This event proved to be one of the most beautiful and impressive services ever held in the Church. Red and white color schemes were used throughout the Church decorations. Reverend and Mrs. Heller led the procession and were followed by Lois Echols and Donald Heller, Patsy Geiger and Bobbie Baker, Frances Ruth Calhoun and Raymond Jones (crown bearers), and finally Carlton McCall as King and Delona Jones as Queen. The retiring Queen, Dorothy Chastain, played the Processional March.

The Queen was beautiful in a white marquisette dress. She carried a white Bible with a corsage of red sweet peas. Patsy Ann Geiger, the Queen's maid of honor, wore white organdy and carried a black Bible with a corsage of purple sweet peas. Lois Echols wore a blue satin gown covered with blue net and carried a black Bible with a corsage of pink sweet peas. Mrs. Heller wore a pink

satin gown covered with net and carried a black Bible with a corsage of blue sweet peas. Frances Ruth Calhoun wore a blue dress and a head corsage of pink lily of the valley.

Rev. Heller recognized the family groups that were in attendance and Mrs. Heller then recognized the parents of the young people who were in the court of honor. Each mother was presented with a corsage of sweet peas, and the King and Queen's parents were recognized with the mother of each being presented with an orchid while the audience voiced their "oh's" and "ah's." Ada Tillman sang "Challenge" and Rev. Heller brought an inspiring and challenging message to the youth to let Christ reign supremely in their lives.

Following the Coronation of the King and Queen, Delona Jones spoke on Christian Girlhood and Carlton McCall spoke on Christian Boyhood. The climax of the service came when Mrs. Heller presented the Queen with an arm bouquet of red carnations and Rev. Heller presented the King and Queen with a check to cover all their expenses for a week at Ridgecrest, North Carolina, the Southern Baptist Summer Camp.

Mrs. Anderson Chastain was in charge of the reception which followed the service. She had converted the entire back of the Church into a great reception hall and had decorated the rooms so as to create a goodly atmosphere for warm Christian fellowship.

**Bible Study Plan Is Considered**

Members of the Pahokee Methodist WSCS at the March meeting held at the church Monday afternoon completed plans for their annual spring Bible study. This year's study will consist of two themes and it was decided to have the Simonson-Lair Circle present "The Cross Over Africa," and the Gertrude Shirley Circle, "The Fatherhood of God." The circle making the best presentation and having the best attendance at these study sessions will receive the proceeds of a silver tea sponsored by the losing circle. Mrs. R. J. Schroder and Mrs. Arch Blakey were named on a committee to work out a point system for judging the study contest.

Mrs. H. J. Anderson, supplies chairman, reported that eight barrels of clothing, valued at \$696.25, had been collected and shipped to Holland for the relief of the Dutch people. The group voted a contribution to the Scarritt Endowment Fund. Mrs. Ralph Stanley, local WSCS president, was named delegate to the annual WSCS State Conference in Tallahassee, April 2-5. Mrs. O. D. Carpenter was named alternate delegate.

Rev. T. A. Ferguson presented

## 97 S. S. Workers At Clewiston Banquet

Last Friday night the Baptist Sunday School workers of the Churches around the Lake enjoyed a tremendously successful banquet in the beautiful Inn at Clewiston. Ninety seven were in attendance, including several guests, from Jacksonville and Delray Beach. The program moved along informally and every circumstance favored a real season of enriching Christian fellowship. Appearing on the program were Rev. and Mrs. Dawson of Clewiston who favored the group with Electric Guitar and Accordion numbers. Rev. Tora Collins, state association worker from Jacksonville, spoke many challenging and informative remarks to the group. Mrs. Williams of Belle Glade rendered two solo numbers. A group from Clewiston sang several fine quartet numbers. Rev. Moberg of

Pahokee entertained at the piano. Several guests were spontaneously called upon to make their contribution to the program and everything worked out to a great and wonderful evening.

### MEN'S BIBLE CLASS

Seventy eight were in attendance last Sunday. The Pahokee Men's Bible Class. The current lessons on "The Children of Israel" by the teacher, Rev. C. A. Moberg, are meeting with much favor. This Sunday "Jerusalem Out of Bounds" will be considered. The Class Quartet will present its usual splendid program. A most cordial invitation is extended to all unaffiliated men of the community, service men in and out of uniform and visitors to attend. Lions Building at 9:45.

Mrs. N. F. Carter and son and Miss Theo Pool of Cordele, Ga., arrived here on Thursday of this week for a visit with their brother and sister-in-law, Mr. and Mrs. G. M. Pool.

### PAHOKEE HIGH SCHOOL HONOR ROLL

*An Event of Importance  
to the People of Florida*

## FLORIDA MOTOR LINES becomes FLORIDA GREYHOUND LINES

Great new benefits in public highway transportation will be brought to bus line patrons in Florida as a result of the recently announced affiliation of Florida Motor Lines with the nationwide system of Greyhound Lines.

Under the Greyhound banner, the Florida lines will remain a Florida corporation. Operations will be directed and manned by the same executives and personnel who have built the company to its present position of importance. Results of all Greyhound advances in highway transportation, however, will henceforth be devoted to the improvement of service to Florida travelers.

Newly designed, more luxurious highway coaches developed for Greyhound will be available for use in Florida. Varied innovations in passenger service, depot facilities, food service and bus scheduling will be adapted to Florida operations, as they are developed for the widespread Greyhound system.

Schedules along Florida Greyhound routes will be closely dovetailed into oper-

ations along other Greyhound routes leading to more than 6,500 cities and towns all over America. Special express runs will provide new high standards of highway travel to distant points. And Greyhound national advertising will give increased attention to the countless travel attractions of Florida, serving to send increased volumes of tour and travel business to this state.

Florida Motor Lines' tradition of excellence in bus service will be maintained and intensified as officials and employees of Florida Greyhound Lines continue at their work of bringing Florida the finest highway transportation it has ever known.

**PAHOKEE BAPTIST CHURCH**

The Sunday School objective of 250 in attendance, Pahokee Baptist Church, was realized last Sunday, thanks to the efforts of all interested and cooperation of the members and friends. This Sunday morning at the eleven o'clock hour, the pastor, Rev. C. A. Moberg, will continue his series of sermons on "The Sermon on the Mount." A special program of music will be presented. Ninety three were in attendance last Sunday, Training Union, just seven short of the goal. There will be no preaching service this Sunday. All are urged to attend the closing service of the revival at the Nazarene Church. Almost capacity congregations are attending on Wednesday nights for the recently introduced "Illuminated Cross Prayer, Praise and Visual Education" program. Announcement is made of the purchase of the Mathushek grand piano. The pastor will present a "hymn interpretation" each Sunday morning.

Wilton Giddens, one of our senior boys, is ill but is much better, and we all hope that he will be back with us soon.

Florida feed men are now buying Argentine milled wheat products while American wheat is being given to Europe.

**Holland Starts Senate Campaign**

Spessard L. Holland, candidate for United States Senator and Florida wartime governor, will launch a speaking tour of the State at 8:00 p. m. today in Bartow, his home town.

The first candidate in the race to make known intentions of seeking the senatorship, Holland formally announced for the office last October 31, after Senator Charles O. Andrews announced he would retire.

His announcement followed repeated urgings by newspapers and individuals that he become a candidate for the high post. Since entering the race, he has visited more than 50 counties of the State and has been warmly received everywhere.

Holland's itinerary for the first ten days of the tour will take him on a swing through Central, North and West Florida, as far west as Apalachicola and Wewahatcha.

The Seniors of Pahokee High are presenting a Program on The World Day of Prayer, Friday, March 8. The entire Senior Class will participate. This will be a day of prayer observed all over the world. Everyone is cordially invited to attend at 2 o'clock at the high school auditorium.

**Friend — Nason**

Mrs. Willola Nason and Frank Friend were married Wednesday night at the Methodist parsonage in Pahokee by Rev. T. A. Ferguson, pastor of the Methodist church. Mrs. Nason is from Delta, Miss., and has been an instructor in Pahokee schools this term. Mr. Friend is one of the pioneers in Pahokee and one of its most substantial and successful farmers.

**NOTICE TO RADIO DEALERS**

City Council, City of Pahokee, will receive bids up to eight o'clock p. m., April 9, 1946, for one 50 watt shortwave radio station, complete, and two 30 watt car radios, complete. All bids will be filed with the City Clerk at the City Hall in the City of Pahokee, Florida. City of Pahokee reserves the right to reject any and all bids.

## Life On The Campus AT PAHOKEE HIGH SCHOOL

The Seniors of Pahokee High presented The World Day of Prayer program Friday, March 8. The stage setting included white canopies and asters. Basil Todd of the Senior Speech Choir was the leader of the Prayer Service. The other individual speakers were: Marian Jones, Nina Ruth Barwick, Edna Cowart, Betty Jean Wetherington, Wilton Giddens, Lynn Walker, Gene Herri, Ray Hawk, and Milton Carpenter. Seven Ministers joined the seniors in this program. They were: Rev. Moberg, Rev. Heller, Rev. Hatfield, Rev. Moore, Rev. Gresham, Rev. Strack, and Rev. Mason. An offering of \$51.26 was collected. The many

visitors attending this program, and joining in the responsive readings felt inspired by this fine program.

The eighth grade welcomes two new members this week, Mary Alice Thompson of South Bay, and Mark S. Worth of New York.

Miss Barbara Ann McNamara had two visitors this week, Miss Anna C. McCarthy of Brookline, Mass., and Miss Kathryn M. Barry of Belmont, Mass.

Thursday afternoon for the sixth period assembly, the Pan-American club sponsored a debate on a subject of great interest to most of us. Resolved: That the United States is a good neighbor to the other Pan-American republics was

the subject of discussion.

The negative, represented by Harry Fremd, Margaret Powell and Bill Elam put forth arguments which outweighed those of the affirmative, which had Harlan Sears, Nina Ruth Barwick and Joy Padgett as its representatives. Although its points against our Good Neighbor Policy brought the negative the decision in this favor, the affirmative also came in for its share of glory when the judges chose Joy Padgett as the contestant with the best delivery.

The chairman for the afternoon was Ray Hatton. Mr. D. D. Caudill, Mr. Ned Koehler, and Mr. Robert O. Leung were the judges. Dickie Johnson acted as the time keeper.

The chemistry class of Pahokee High School gave a very interesting and successful demonstration of some of the experiments which they had previously performed in the chemistry laboratory. Some of the most spectacular were: The reaction of hydrogen sulphide with various compounds. Hydrogen sulphide is a colorless gas whose characteristic odor smells of rotten eggs. When the gas is passed into the compounds it precipitates solids of different colors depending upon the compound. The reaction of chlorine with ammonia gas. Here the chemical combination takes place to form a different compound, ammonium chloride, which was seen in the form of a white cloud. Ionization: This experiment shows the ability of certain substances in water solution to carry electricity. Some of the substances which were used were vinegar, baking soda, salt, and lemon juice.

## Gertrude Williams On Hospital Board

Governor Caldwell announced appointment Tuesday of Mrs. Gertrude Williams of Pahokee as a member of the Western Palm Beach County Hospital Board to succeed Sam Chastain who recently resigned when he was named a member of the Everglades Drainage District board. The hospital board operates the Everglades Memorial hospital in Pahokee.

## LEGAL NOTICE

### NOTICE OF DISSOLUTION OF PARTNERSHIP

Notice is hereby given that the partnership of Edwin B. Butler, New York, N. Y., Frank L. Anderson, Belle Glade, Fla. and Forrest Norton, South Bay, Fla. formerly doing business as South Bay Growers and Distributors at South Bay, Florida, which had been registered under the provisions of Chapter 2053, Laws of Florida, Acts of 1941 in the Court House at Palm Beach County Florida, was dissolved effective June 14, 1945. Under our agreement for the dissolution of said partnership Edwin B. Butler received all assets and assumed all liabilities. This is official notice of the dissolution. All interested parties will take notice of this published notice.

## VOTE NEXT TUESDAY . . .

Preserve a permanent Beach and Recreation Center for Palm Beach County. Vote for a 200 acre park with two miles of waterfront.

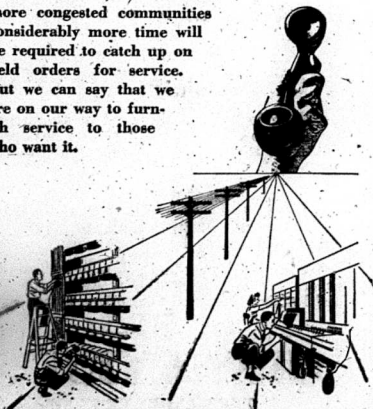

(This Ad Paid for by Local Supporters Beach Park)

## There's Still A . . . BIG JOB AHEAD

Before there will be telephones for all who want them

There is still a tremendous construction job ahead of us before we can furnish telephones to all who want them. New switchboards must be first manufactured and then installed in a great many cities and towns. At other places buildings must be constructed or enlarged to provide housing facilities for this new central office equipment before it can be installed.

We are well along with our three hundred million dollar expansion program to provide more and better service for the South. However, in some of the more congested communities considerably more time will be required to catch up on held orders for service. But we can say that we are on our way to furnish service to those who want it.

# Why JAX Beer

## WILL BE SCARCER

... An Important Notice To JAX Beer Dealers and Customers

Because millions of Europeans are starving, your government has taken steps to conserve grain to feed the war victims this spring and summer.

Among other steps, the Government has imposed a cut of 30% on beer production for the three months beginning March 1. And this is in addition to a 12% cut ordered during the same period last year . . . the period on which our current production is based. So the actual cut is far more than 30%.

This means a drastic reduction in the amount of JAX Beer we can produce for our dealers and customers. It means that JAX, the Drink of Friendship, will be hard to get at times.

We have already been forced to adjust our quotas to our dealers to conform to the new ruling. We are doing our best to maintain fair distribution to all dealers and to see, so far as it is humanly possible, that JAX is available to you most of the time.

We know that this government-ordered cut in our production will inconvenience our dealers and our customers. But the cause is a good one. The small inconvenience you will suffer is nothing as compared with the great good that will come from providing more grain for Europe's starving war victims.

Just remember this — we're going to give you all the JAX Beer we can. Remember, too, that although JAX will be somewhat scarce for awhile, you can't get better beer at any price . . . so always ask for JAX on the chance that your dealer will have it. We hope it won't be long before we can give you all the JAX Beer you want.

Buy JAX!  
You can't buy  
better beer  
at any price!

## HOME

From The

## WAR

Major G. W. Byrd, Jr., received his discharge from the Army at Camp Blanding on Feb. 24 after four years and seven months in the service. While in the service he was artillery instructor at Fort Sill, assisted in the formation of armored artillery units and was overseas in the Italian theatre for a few months. He, his wife and their daughter, Claudia, who have been visiting his parents, Mr. and Mrs. G. W. Byrd, Sr., in Pahokee since his release from the army, spent several days this week with relatives in Venice, Fla.

Staff Sergeant Marvin Unwin is back in Pahokee and in civilian life after spending three years and seven months in the service of Uncle Sam, one year of which he spent in Europe. He was discharged at Blanding on February 26. Marvin was a chief clerk and investigator of counter intelligence in the U. S. Army Air Forces in Europe and while there he was

stationed in Germany and France. Mr. and Mrs. Unwin had completed a new home in Pahokee a short while before the war and this week they are moving back into it. Mr. and Mrs. Will Brandon occupied the Unwin home during the war and are moving to the Lodge at Port Mayaca.

### Lottie Moon Circle Met On Monday

Mrs. Albert Snyder presented a royal service program, "Home Missions Building in the New World," at a meeting of the Lottie Moon Circle, First Baptist WMU, at the church Monday afternoon. Others taking part were Mrs. M. L. Mullis, Miss Elizabeth Caraway and Mrs. J. C. Mock, Mrs. Stella Mullis, Mrs. E. E. Coleman and Mrs. W. A. Stevens. Mrs. Horace Unwin was in charge of the devotionals.

It was announced that the group's week of prayer for home missions program was completed in two sessions at the church last week with Miss Caraway in charge and 16 members taking part.

## Births

The tired old bird pictured above had to call time out for a rest following eight deliveries announced at the Everglades Memorial Hospital last week. However, before leaving on his vacation he managed to wing in with another blessed event on Thursday, Mar. 7, this time a baby girl, Charlotte Mae Hunt, daughter of Mr. and Mrs. Ray R. Hunt of Belle Glade.

### Canal Point PTA In Regular Meeting

Mrs. J. T. Platt, vice president of the Canal Point Parent-Teacher Association, presided at the March PTA meeting a week ago Wednesday, in the absence of the president, Mrs. F. M. Wilson.

Resignation of Mrs. Ray Singletary as chairman of the Brownies committee, was accepted. Mrs. Harold Rosenberg gave a report on the County PTA Council meeting, which she attended in West Palm Beach. The monthly attendance award was won by Mrs. Clara Maurer's fifth grade.

Mrs. Otto Coleman presented two sound motion pictures, on American Red Cross work. Mrs. Delmar Hooks and Mrs. C. L. Stewart were hostesses.

### Canal Point Has World Day Of Prayer

World Day of Prayer was observed at Canal Point Friday morning at a special service in the school auditorium with Mrs. Clara Maurer in charge of arrangements.

A talk on "The Significance of World Day of Prayer" was given by Rev. J. R. Heller and prayer was led by Rev. Oliver Hatfield. Children of the fourth and fifth grades sang hymns and presented a tableau depicting "World in Prayer." At the conclusion of the service all children of the school joined in the singing of "Onward Christian Soldiers" as they returned to their class rooms.

### THE OLD JUDGE SAYS...

TED: "Clem and I were wonderin' what you thought of that new movie about the chronic alcoholic, Judge. Understand you saw it before we did."

OLD JUDGE: "Well...it's true most of us never see a case as extreme as that in real life because they are so few and far between. But it does point out one thing...chronic alcoholics are abnormal people and we've got to change our ideas about how to help them."

CLEM: "In what way, Judge?"

OLD JUDGE: "We've got to realize that excessive drinkers are suffering from more than a craving for alcohol. According to

psychiatrists and medical men at one of our great universities, the alcoholic is a sick person. The study of hundreds of cases shows he is suffering from some physical, social or emotional condition...just as in the case of that poor chap in the picture. Fortunately, they represent only a very small percentage of those who drink."

TED: "Is anything being done to really help these folks, Judge?"

OLD JUDGE: "Yes...a great deal in clinics throughout the country. And with the cooperation of the beverage distillers who sincerely want their product used only in moderation."

## CHEVROLET

PHONE 2371

PAHOKEE, FLORIDA

# Christian Chevrolet

RAYMOND CHRISTIAN, Owner

24 Hour Wrecker Service Official AAA Representative

You aren't getting machinery, Mr. Farmer, because...

# PICKET LINES

have taken the place of

# PRODUCTION LINES!

...so don't blame your Implement Dealer!

YOUR implement dealer had planned and expected to have his display floor filled with new implements and tractors weeks ago. And we had planned to make them—had told our dealers and our farmer customers they would have new equipment and plenty of service parts for the 1946 spring work. And we had hoped to sell these machines at no advance in price.

### Real Production Had Started

When the war ended, our organization bent every effort to increase production, with the result that in the last months of 1945 machinery was being built in very substantial quantities. Here are a few figures:

ITEM	PRODUCTION	
	NOV. 1945	DEC. 1945
Tractors.....	7,271	7,432
Combines.....	2,345	2,526
Cultivators.....	3,482	3,308
Hay Loaders.....	209	982
*Plows.....	6,185*	6,702*

\*Plows are made in our Canaan and Chatham Works, which are not on strike. January production was 7,747 plows.

Both your dealer and we were encouraged by this production picture at the turn of the year. But the strike changed all that. As you know, the CIO United Farm Equipment & Metal Workers of America called a strike in ten of our plants, on January 21, 1946.

### What Is The Strike About?

Wages are a basic issue. At the time of the strike, Harvester employees were among the highest paid workers in American industry. When the strike began, the average hourly

earnings in the ten plants, not including overtime, were \$1.154. If present wage proposals are adopted, this figure will become \$1.334 per hour.

When the strike began, negotiations were broken off by the Union on the issue of compulsory union membership. The Company has no desire to weaken the Union. It recognizes certain reasonable needs of the Union. But the Company does oppose compulsory unionism. It feels strongly that an employee's membership should be a matter of his own choice.

### Material Costs and Price Relief

Wages and materials are the great costs of operating our business—together they consume all but a few cents of every dollar the Company takes in. Wages are obviously going to be high—and nobody knows just how high material costs will go.

In the face of rising costs of materials, the Company does not see how it can pay the wage increases recommended by a Government fact finding board until it has definite and satisfactory assurance from the Government that reasonable price relief will be granted to the Company within a reasonable period of time. This matter is of such importance that it will not be discussed here, but will be covered by future advertisements devoted to both prices and profits.

Speaking for our dealers and ourselves, we can assure you that no customer is more eager than we are to resume production. We are doing and shall continue to do everything in our power to bring about a fair settlement as soon as possible.
